I castellieri nel paesaggio

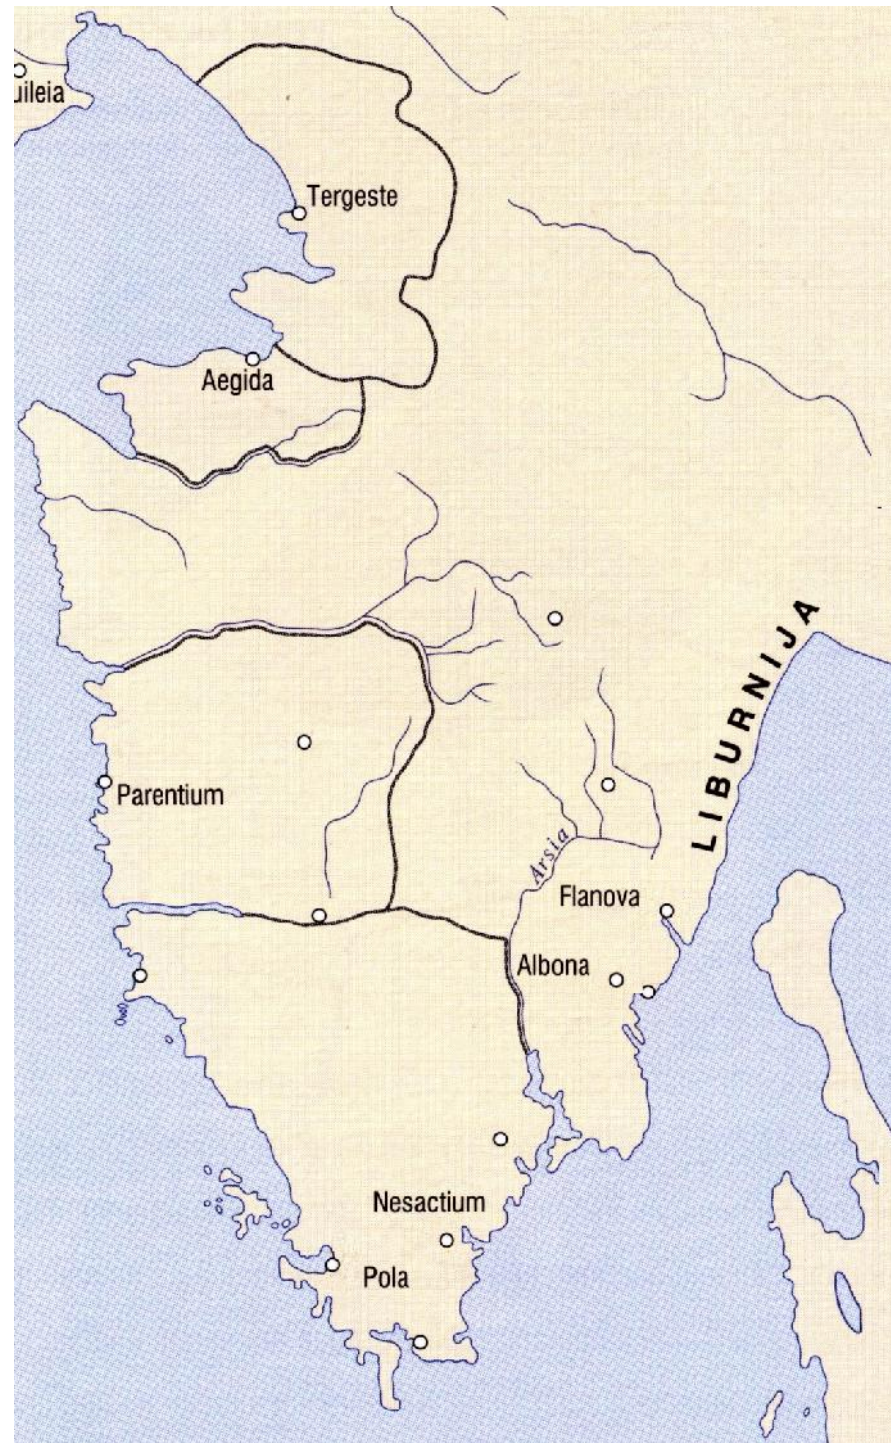

- Liv. 41,11
- *Paucis ante Iunius Manliusque oppi dum Nesattium, quo se principes Histrorum et regulus ipse Aepulo receperat, summa vi oppugnare coeperant.*
- *Cuius capti tumultum ubi ex pavido clamore fugientium accepit rex, traici ferro pectus, ne vivus caperetur; ceteri capti aut occis.*
- *Duo deinde oppida, Mutila et Faveria , vi capta et deleta.*
