ERASMUS+ PROGRAMME – International Credit Mobility
KEY ACTION 1 - Learning mobility of Individuals between
programme and partner country

First call for applications for individual mobility of students for the purpose of studying within the Erasmus+ project No. **2019-1-HR01-KA107-060757**

Within the **ERASMUS+ Project 2019-1-HR01-KA107-060757** referring to cooperation with higher education institutions in the partner countries, Juraj Dobrila **University of Pula** (further in the text: UNIPU) announces the "**Call for applications**" for awarding financial support to **individual incoming and outgoing students**, with objective of spending part of their study period outside home higher education institution (further in the text: HEI), in a partner country. All incoming and outgoing activities supported within this Call are coordinated and administered by the UNIPU.

The **overall objective** of individual mobilities to be realized within this project Call is intensification of international cooperation, development of institutional capacities for international mobility, internationalization of curriculum, strengthening of social dimension in international exchanges, strengthening of international partner network, and development of professional scientific and teaching skills with sustainable impact on long-term cooperation activities.

Financial supports are awarded to students of the UNIPU and to students of the **selected partner universities**, as follows:

1. **Armenian State University of Economics, Yerevan, Armenia**
2. **International Burch University, Sarajevo, Bosnia and Herzegovina**
3. **Universidade Federal Fluminense, Rio de Janeiro, Brasil**
4. **Saint Mary's University, Halifax, Canada**

5. **The College of Management Academic Studies (COLMAN), Rishon LeZion, Israel**
6. **Kyoto Sangyo University Japan, Faculty of Foreigner Studies, Japan**
National University Corporation Hiroshima University, Japan
University of Tsukuba, Japan

Individual student mobilities are to be realized according to the **Mobility Flow Plan, specified in Appendix 1**. Within this Call, applicants can submit one application for one mobility activity.

Eligible period for realization of mobility approved within this Call is:

15.07.2022.¹

Within this project Call, student can spend a study period abroad in duration of approximately **one semester**. Longer period can be approved by Erasmus Project Committee, depending on the quality of the applicant and number of overall applications. Longer stays are possible also on applicant own expense. The grant for students cover monthly living costs without travel cost. Once started, the mobility activity cannot be interrupted.

The referential amounts awarded as a mobility grant to each selected participant are consisting of **monthly rates**.

Signed Erasmus+ inter-institutional agreement between programme and partner countries is a precondition for individual staff mobility realization between UNIPU and each partner HEI. In this interinstitutional agreement, the sending and receiving institutions agree on the options for student mobility. By signing the inter-institutional agreement, Partner Country HEI agrees to comply with all principles and rules of the Erasmus+ programme. The Erasmus+ inter-institutional agreement has to be in force before the beginning of each mobility period.

Students with disabilities or special needs selected for Erasmus+ mobility within this Call are entitled to apply for additional financial support. Students with disabilities or special needs is a category of students, whose physical, mental or health conditions presuppose participation in mobility activity with increased costs of living or travelling. Additional financial support is awarded by the Agency for Mobility and EU Programmes Zagreb, Croatia, on a basis of separate application form, which will be communicated to selected students with disabilities or special needs after the completion of the selection process.

¹ Mobility period depends on the allocation of the funding and duration of the mobility semester

FINANCIAL SUPPORT

Financial support consists of:

- Monthly scholarship rates
- plus Travel costs approved exclusively according to the distance band calculated by the tool [Distance Calculator](#). Distance band is determined according to the calculator from the place registered as the official seat of the sending university to the destination place registered as official seat of the receiving University. Distance calculated by the tool presupposes onward and return travel. In cases when the destination place for mobility realization is different from the official place of the receiving university official seat, the participant has to submit travel tickets or any other proof of travel confirming the departure place and the arrival place.

Financial support will be awarded in EUR, however, all payments to incoming and outgoing participants will be made in Croatian currency (HRK) by applying the exchange rate: 1.00 EUR = 7.3807 HRK. The exchange rate is fixed and obligatory.

The referential amounts awarded as a mobility grant to each selected participant are overviewed below.
